1 Create a Huawei Account

If you do not have a Huawei account, [click here](#) to create an account.
 If you already have an account, [click here](#) to log in.

* The Huawei account is your Huawei user account. After association with an academy, you can use this account for teaching management. Please keep your account and password confidential.

2 Associate with an Academy

If you have logged in, [click here](#) to submit an association application.
 The application will be sent to your ICT Academy administrator for approval.

3 View Approval Progress

After submission, you can [click here](#) to view the approval progress and remind the administrator to approve the application. After the association approval, you can click your profile image and go to **My Classes**, then enter the class invitation code you received to join the class.

* The class invitation code is a string of digits and letters generated by the system when your instructor starts the class. It is used for verification when you join the class.

Perform steps 1 to 3. After submitting the association application, wait for the ICT academy admin to approve. You can view the approval progress through the quick entry.

Note: You need to register a Huawei account and login before performing subsequent operations.
