

10th Edition of International Conference on Innovation and New Trends in Information Technology

<https://intis2021.sciencesconf.org>

Honorary Guests

- Ahmed MOUSSA, UAE, Tetouan Morocco
- Fazekas ZOLTAN, HAS, Hungary
- Karim ALAMI, EMSI, Morocco

General Chairs

- Azedine BOULMAKOUL, FSTM, Morocco
- Valentina E.BALAS, AVUA, Romania
- Hassan BADIR, IDS Team - ENSATg, Morocco
- Anirban MONDAL, Ashoka University, India

Program Committee chairs

- Mohamed TABAA, EMSI, Morocco
- Alessio ISHIZAKA, UP, UK
- Bharat BHUSHAN, Sharda University, India
- Nouria HARBI, UL2, France

Publicity Committee

- Amjad RATTROUT, AAUJ, Palestine
- Rabia MARGHOUBI, INPT, Morocco
- Lilia Sfaxi, INSAT, Tunisia
- Wahida HANDOUZI, UT, Algeria

Publication Committee

- Achraf COHEN, University of West Florida, USA
- Mohamed TABAA, EMSI, Morocco
- Ismail BISKRI, UQTR, Canada
- Ahmed LBATH, UGA France

Organizing Committee Chairs

- Rachida FISSOUNE, IDS Team - ENSATg, Morocco
- Sara IBN AI AHRACH, FMT, Morocco
- Hassna BENSAG, EMSI, Morocco
- Faouzi KAMOUN, ESPRIT, Tunisia

Secretary Committee

- Lamia KARIM, ENSAB, Morocco
- Adil BOUZIRI, FSTM, Morocco
- Youssef ALJ, EMSI, Morocco

Local Organizing Committee

- Ahmed RABHI, IDS Team - ENSATg, Morocco
- Kenza CHAOUI, IDS Team - ENSATg, Morocco
- Mouna AMROU MHAND, ENSATg, Morocco
- Houssam BAZZA, IDS Team - ENSATg, Morocco
- Meriem ABID, LPRI EMSI, Morocco
- Asmae CHAKIR, LPRI EMSI, Morocco
- Younes TACE, LPRI EMSI Morocco
- Khadija AHAI DOUS, LPRI EMSI, Morocco

Steering Committee

- Azedine BOULMAKOUL, FSTM, Morocco
- Hassan BADIR, IDS Team - ENSATg, Morocco
- Mohamed TABAA, EMSI, Morocco
- Ahmed LBATH, UGA France
- Amjad RATTROUT, AAUJ, Palestine
- Nouria HARBI, UL2, France

The IDS Team, Moroccan AMINTIS Society and IOSIS Society in Collaboration with:

- National School of Applied Sciences of Tangier, Morocco
- Abdelmalek ESSAADI University, Morocco
- Moroccan School of Engineering Sciences (EMSI), Morocco
- Faculty of sciences and techniques – Mohammedia, Morocco
- Lumière Lyon 2 University, France
- Hassan II University, Morocco
- Ashoka University, India
- Sharda University, India
- ESPRIT, Tunisia

Organizes the Tenth international Conference (INTIS'2022) to be held in Casablanca, Morocco during May 20th – 21th, 2022. INTIS'2022 will be an international forum for discussions on 'Data Technologies and Artificial Intelligence', which aims to present recent advances, latest solutions and research developments in theoretical and practical aspects.

INTIS is a large-scale scientific event to bring together researchers and R&D professionals on ideas and common actions in the organization of knowledge while defining collaborative strategies using advanced technologies in multiple fields of research and application for society and its cultural, education, economic and industrial developments.

The scope of the INTIS'2022 conference covers all multidisciplinary topics related to the latest research and their importance in Data Technologies and AI. We invite all participants to present their research and/or experiences to the INTIS'2022 according to the topics below:

Artificial Intelligence

- AI applications
- Deep Learning
- Reinforcement Learning
- Fuzzy Logic
- Neural Networks
- Deep convolutional neural network models
- Natural Language Processing
- Recommender Systems
- Data Mining
- knowledge Engineering
- Ontology Engineering
- Meta learning
- Stochastic optimization
- Heuristic optimization techniques
- Design Automation
- Decision Support Systems
- Feature Extraction and Classification
- Convolutional Neural Networks
- Data Mining and Machine Learning Tools
- Machine Learning Applications
- Machine Learning Methods and analysis
- Statistical Learning
- Smart systems and applications
- Deep learning for covid-19

Data Technologies

- Big Data Models and Algorithms
- Big Data Architectures
- Big Data theories and algorithms
- Big Data Management
- Big Data Security and Privacy
- Big Data visualization
- Big Data mining
- Big Data in Smart Cities
- Social Network and Big Data
- Big Data for Enterprise and Government
- Application of big data analytics
- Big Data in Business Processes
- Data stream management and analytics
- Data cleaning techniques
- Dimension reduction
- Data Imbalance processing
- Data protection
- Stream data processing
- IoT and Smart Data
- IoT and Sensing
- Industrial Internet of Things (IIoT)
- IoT networking, routing and security
- Security and privacy for IoT applications
- Smart Connected Car and transportation
- Emergency vehicle notification systems
- Smart cities applications
- IoT for Healthcare
- Connected buildings and operation automation
- Internet of Energy and smart grid

Important dates

- Paper Submission : February 28, 2022
- Author Notification: March 31, 2022
- Final Version of the Papers: April 10, 2022
- Registration Deadline: April 21, 2022
- Conference Dates: 20 - 21 May 2
